

Welcome to Join the 3rd ConsAsia 2025 in India

“The Asian-Oceanian Federation of Conservative Dentistry” (hereafter referred to as the 'AOFCD') was constituted in Seoul, Korea on January 31, 2018. It is established to contribute to the promotion of oral health in the public interest and to facilitate communication and cooperation amongst the members in the Asian and Oceanian regions by encouraging excellence in the clinical practice, teaching and research pertinent to the scope of Conservative Dentistry.

The ConsAsia meeting – is planned to be organized together with the Asian-Oceanian Federation of Conservative Dentistry (AOFCD) and the local organizing committee of a national dental association in major cities of Asian and Oceanian countries biannually.

The first ConsAsia meeting was held in Seoul on November 8-10, 2019; the second ConsAsia meeting was held in Taiwan on Sep 1-3, 2023. It is very nice that the third ConsAsia will be held in India. We're excited to have you join us. This is a great opportunity to connect, share insights, and explore new ideas. If you have any questions or need assistance, don't hesitate to reach out. We hope you find the event informative and engaging!

Yours Sincerely
